Employee Development Plan

Professional Growth

December 11th, 2018

Location(s)

ΑII

Highlights

City Tire & Auto Centre Ltd. requires management to meet with all full-time employees and ensure that a professional development plan is completed annually. It is strongly suggested that these private meetings be conducted near the end of the first quarter (January – February) such that development plans are performed only with full-time staff, as well as during typically slow periods. An Employee Development Plan for branch management teams will be completed by a member of the director's group (different document).

Performance Evaluation + Employee Goals = Professional Development & Long-Term Employment

The intent of this development plan is to ensure that all parties are aware of the employee's performance and aspirations, the needs of the management teams, and requirements of the organization. The first component of this plan; *performance evaluation* will be completed by branch management prior to the meeting. The second element; *establishment of goals* will be conducted during the private sit-down meeting as per the comments of the employee. The third and final section of this plan is *open dialogue*, to determine if the employee is on track to meet his/her goals and are meeting the expectations of management. Continuous feedback and coaching by management is expected between evaluations and is critical for employee development.

Please ensure that each section has been completed; (1) the form has been dated; (2) the employee has been identified; and (3) all parties have signed the plan, acknowledging the meeting has taken place. A photocopy of the completed plan is to be given to the employee, CTA HR Department, with the original held by branch management, secured in the employee's file folder.

Feedback

This procedure is a tool to improve employee development and retention. Please share any questions, concerns, comments, or edit requests to Jordan Blackwood (jordan.blackwood@citytire.com).

Dispute Evaluation

Questions regarding your evaluation? Please share your concerns with the Human Resources Department (robert.nash@citytire.com).
